Headquarters of the Lions Clubs International is located on a sprawling campus of nine and a half acres in a building owned by the Association in Oak Brook, Illinois, USA. The building and the vast areas appropriately affords generous space for future expansion of operations for the world's largest and latest growing service organization.

The interior is a bustle of activity, forming the core of the global Lions movement. A Lions visitor arriving at the reception center on the ground floor first registers himself, and then a guide speaking any one of the official languages of lions takes him around the building.

The International Office is the main source of information on the world of Lionism. A call or letter to the international Office will afford you the needed help. Always be specific. Do not include items relating to more than one department in the same letter.

HISTORY OF LIONS CLUBS INTERNATIONAL

Begining in 1917: Chicago business leader Melvin Jones asked a simple and world-changing question – what if people put their talents to work improving their communities? Almost 100 years later, Lions Clubs International is the world's largest service club organization, with more than 1.4 million members in more than 46,000 clubs and countless stories of Lions acting on the same simple idea: let's improve our communities.

Going International 1920: Just three years after our founding, Lions became international when we established the first club in Canada. Mexico followed in 1927. In the 1950s and 1960s international growth accelerated, with new clubs in Europe, Asia and Africa.

Eradicating Blindness 1925: Helen Keller addressed the Lions Clubs International Convention in Cedar Point, Ohio, USA, and challenged Lions to become "knights of the blind in the crusade against darkness." Since then, we have worked tirelessly to aid the blind and visually impaired.

Uniting Nations 1945: Uniting Nations The ideal of an international organization is exemplified by our enduring relationship with the United Nations. We were one of the first nongovernmental organizations invited to assist in the drafting of the United Nations Charter and have supported the work of the UN ever since.

Organizing Youth Programs 1957: In the late 1950s, we created the Leo Program to provide the youth of the world with an opportunity for personal development through volunteering. There are approximately 144,000 Leos and 5,700 Leo clubs in more than 140 countries worldwide.

Establishing Our Foundation 1968: Lions Clubs International Foundation assists Lions with global and large-scale local humanitarian projects. Through our Foundation, Lions meet the needs of their local and global communities.

Launching SightFirst 1990: Through SightFirst, Lions are restoring sight and preventing blindness on a global scale. Launched in 1990, Lions have raised more than $346 million for this initiative. SightFirst targets the major causes of blindness: cataract, trachoma, river blindness, childhood blindness, diabetic retinopathy and glaucoma.

HELEN KELLER'S SPEECH

1925 International Convention

Cedar Point, Ohio USA June 30, 1925

Dear Lions and Ladies:

I suppose you have heard the legend that represents opportunity as a capricious lady, who knocks at every door but once, and if the door isn't opened quickly, she passes on, never to return. And that is as it should be. Lovely, desirable ladies won't wait. You have to go out and grab 'em. I am your opportunity. I am knocking at your door. I want to be adopted. The legend doesn't say what you are to do when several beautiful opportunitiespresent themselves at the same door. I guess you have to choose the one you love best. I hope you will adopt me. I am the youngest here, and what I offer you is full of splendid opportunities for service.

Will you not help me hasten the day when there shall be no preventable blindness; no little deaf, blind child untaught; no blind man or woman unaided? I appeal to you Lions, you who have your sight, your hearing, you who are strong and brave and kind. Will you not constitute yourselves Knights of the Blind in this crusade against darkness? I thank you.

LIONS CODE OF ETHICS

TO SHOW my faith in the worthiness of my vocation by industrious application to the end that I may merit a reputation for quality of service.

TO SEEK success and to demand all fair remuneration or profit as my just due, but to accept no profit or success at the price of my own self-respect lost because of unfair advantage taken or because of questionable acts on my part.

TO REMEMBER that in building up my business it is not necessary to tear down another's; to be loyal to my clients or customers and true to myself.

WHENEVER a doubt arises as to the right or ethics of my position or action towards others, to resolve such doubt against myself.

TO HOLD friendship as an end and not a means. To hold that true friendship exists not on account of the service performed by one to another, but that true friendship demands nothing but accepts service in the spirit in which it is given.

ALWAYS to bear in mind my obligations as a citizen to my nation, my state and my community, and to give to them my unswerving loyalty in word, act and deed. To give them freely of my time, labor and means.

TO AID others by giving my sympathy to those in distress, my aid to the weak, and my substance to the needy.

TO BE CAREFUL with my criticism and liberal with my praise: to build up and not destroy.

MELVIN JONES

FOUNDER OF LIONISM

1879/1961

Melvin Jones was born on January 13, 1879 at Fort Thomas Arizona, the son of United States Army Captain who commanded a troop of scouts. Later his father was transferred and the family moved east. As a young man, Jones made his home in Chicago, Illinois, became associated with an Insurance firm and in 1913 formed his own agency.

He soon joined the Business Circle, a businessmen's luncheon group and was shortly elected secretary. This Group was of many at this time devoted solely to promoting the financial interest of their membership. Because of their limited appeal, they were destined to disappear. Melvin Jones, however had other plan.

"What if these men," he asked "Who are successful because of their drive, intelligence and ambition were to put their talents to work improving their communities?" Thus, at his invitation, delegates from men's Club met in Chicago to lay the groundwork for such an organization and on June 7, 1917, Lions International was born. It was stipulated that clubs were not social in nature nor were members permitted to promote their own business interests.

Jones eventually abandoned his Insurance agency to devote full time to Lions at International Headquarters in Chicago. It was under his dynamic leadership that Lions Clubs earned the prestige necessary to attract civic-minded men.

Lionism's Founder was also recognized as a leader outside the Association. One of his greatest honour was in 1945 when he represented Lions International as consultant in San Francisco at the organization of the United Nations.

Melvin Jones, the man whose personal code, "You can't get very far until you start doing something for somebody else," became a guiding principle for public spirited men the world over, died on June 1, 1961, at 82 years of age.

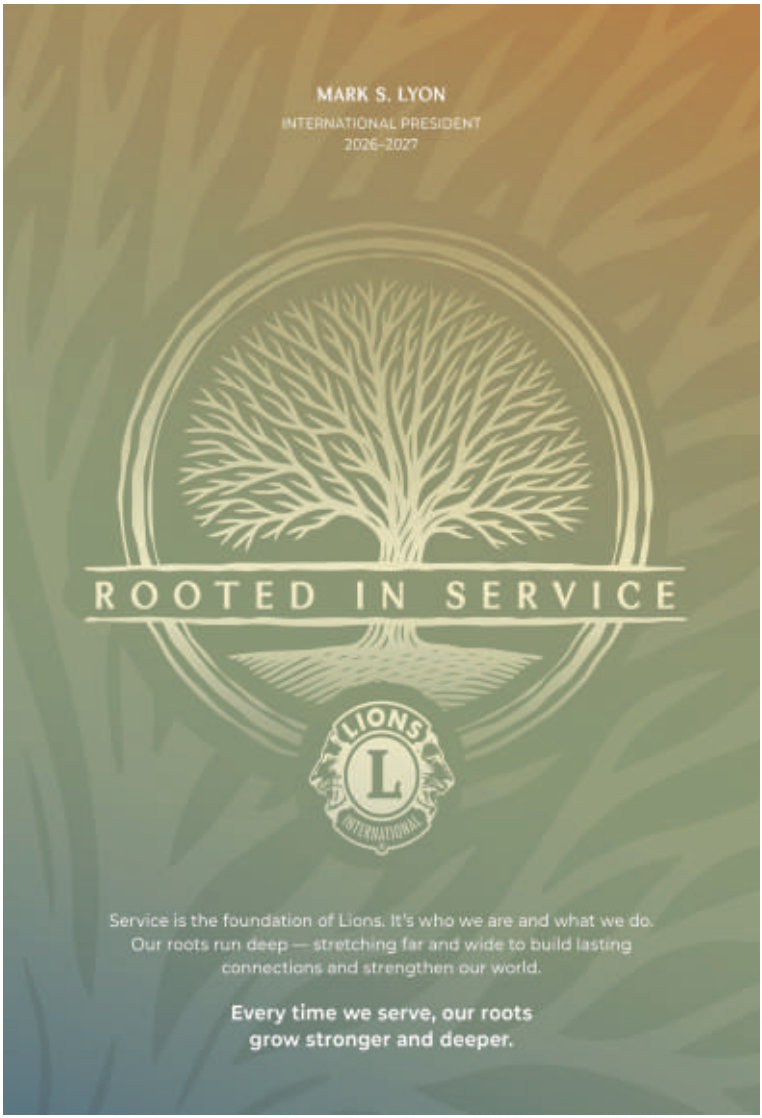
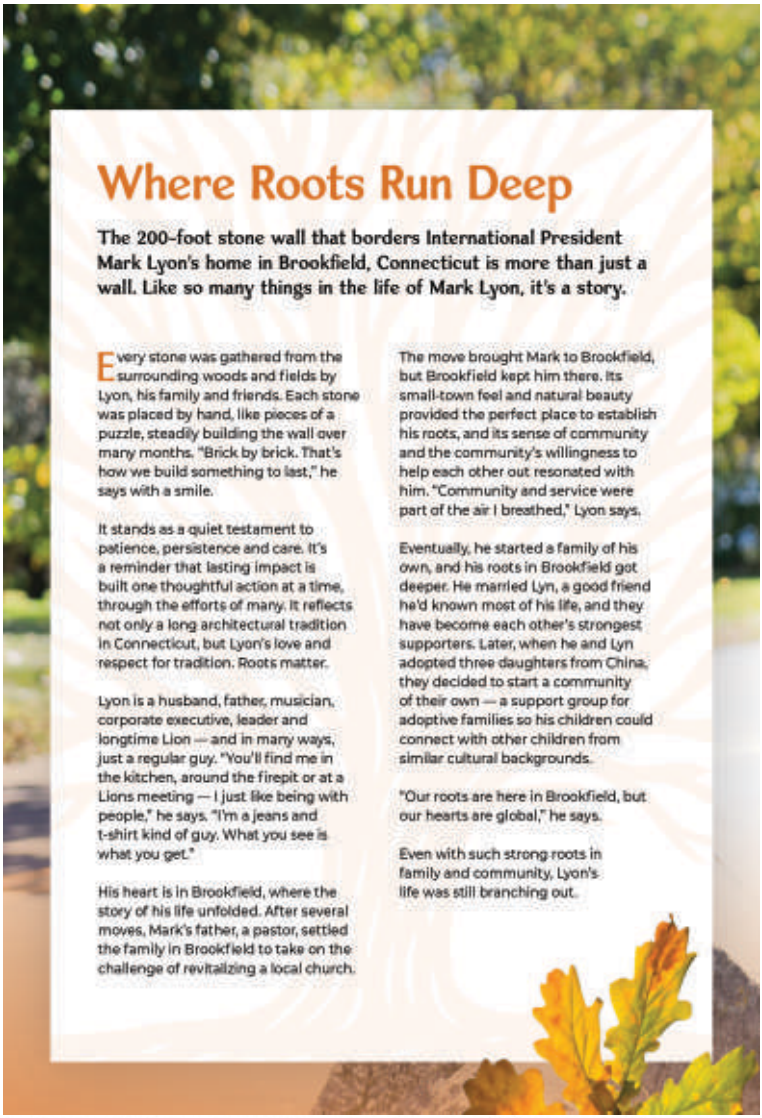
INTERNATIONAL PRESIDENT'S THEME 2026-2027





Where Roots Run Deep

The 200-foot stone wall that borders International President Mark Lyon's home in Brookfield, Connecticut is more than just a wall. Like so many things in the life of Mark Lyon, it's a story.

Every stone was gathered from the surrounding woods and fields by Lyon, his family and friends. Each stone was placed by hand, like pieces of a puzzle, steadily building the wall over many months. "Brick by brick. That's how we build something to last," he says with a smile.

It stands as a quiet testament to patience, persistence and care. It's a reminder that lasting impact is built one thoughtful action at a time, through the efforts of many. It reflects not only a long architectural tradition in Connecticut, but Lyon's love and respect for tradition. Roots matter.

Lyon is a husband, father, musician, corporate executive, leader and longtime Lion — and in many ways, just a regular guy. "You'll find me in the kitchen, around the firepit or at a Lions meeting — I just like being with people," he says. "I'm a jeans and t-shirt kind of guy. What you see is what you get."

His heart is in Brookfield, where the story of his life unfolded. After several moves, Mark's father, a pastor, settled the family in Brookfield to take on the challenge of revitalizing a local church.

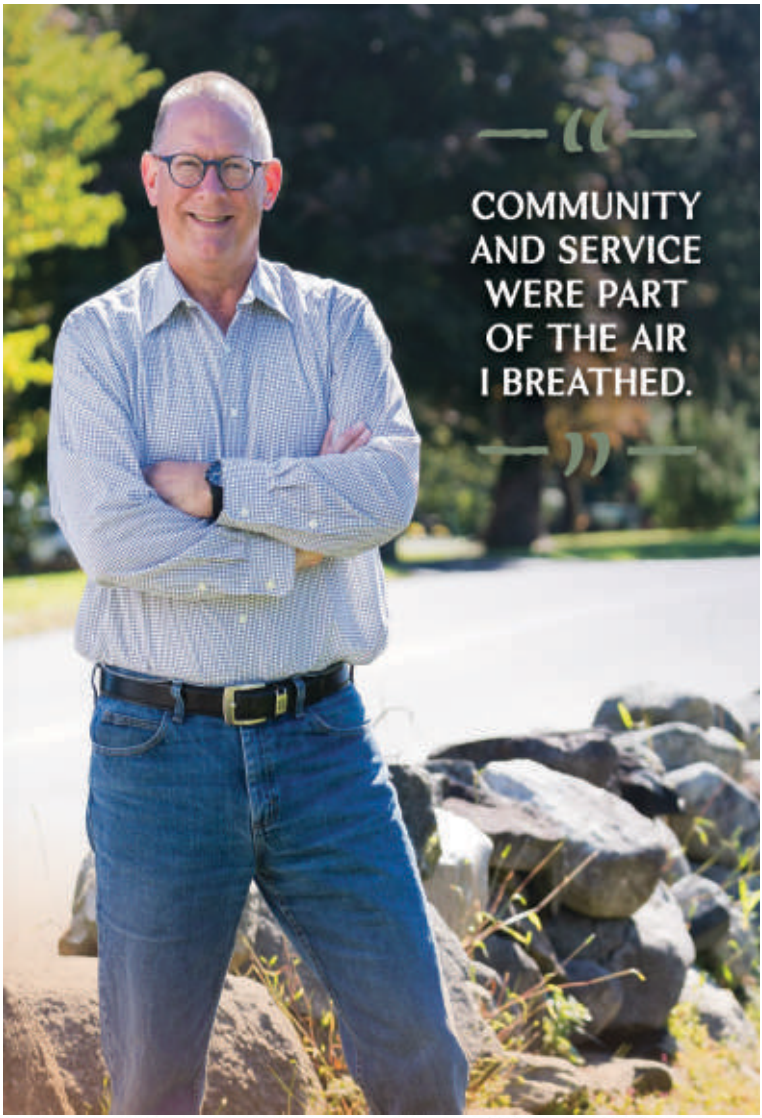
The move brought Mark to Brookfield, but Brookfield kept him there. Its small-town feel and natural beauty provided the perfect place to establish his roots, and its sense of community and the community's willingness to help each other out resonated with him. "Community and service were part of the air I breathed," Lyon says.

Eventually, he started a family of his own, and his roots in Brookfield got deeper. He married Lyn, a good friend he'd known most of his life, and they have become each other's strongest supporters. Later, when he and Lyn adopted three daughters from China, they decided to start a community of their own — a support group for adoptive families so his children could connect with other children from similar cultural backgrounds.

"Our roots are here in Brookfield, but our hearts are global," he says.

Even with such strong roots in family and community, Lyon's life was still branching out.

INTERNATIONAL PRESIDENT'S THEME 2026-2027



INTERNATIONAL PRESIDENT'S THEME 2026-2027

"Except nobody was talking politics," he recalls. "They were all just Lions discussing what the club was doing. I started listening and I said to myself, 'This is where I'm supposed to be.' So I joined immediately." It's a story Mark likes to tell, and it's a moment that marked the beginning of three decades of service.

For Lyon, service is the cornerstone of our global organization, no matter the size of the project. "Whether in Nebraska collecting canned goods or in India building hospitals, each is just as important," he says. "There's no project that's too big or too small."

Mark Lyon is now our international president, but he's still connected to home. He still reveres tradition. He's still grounded in faith and optimism. And he still loves a great story because it can do more than teach us — it can inspire us.

That's why he loves Connecticut's Charter Oak. The Charter Oak became a symbol of freedom in 1687 when colonists hid Connecticut's Royal Charter inside the great tree to protect their right to self-govern. The tree fell in 1856, but it endures as a lasting symbol of resilience and perseverance.

"The Charter Oak reminds us that our roots matter, but so does how we grow," Lyon says. He believes this symbol speaks to who we are and why we are a symbol to the world.

As Lions, our roots run deep. We offer so much to the world we serve, and we are also deeply connected to the world we share. Lyon believes we can make the world a better place when we remain rooted in service.

INTERNATIONAL PRESIDENT'S THEME 2026-2027

Rooted in Service

Picture a mighty oak — a symbol of strength and endurance. It stands as a powerful emblem, enduring, unshakable and inspiring generations to come. Lions are like that tree, rooted in purpose and service. Our strength comes not from standing tall alone, but from the shelter, nourishment and life we provide to the world around us.

For more than 100 years, our clubs have supported, strengthened and served the communities and places we call home. We have offered help in times of hardship, hope in moments of despair and compassion when it's needed most. Service is the soil in which our organization grows — the lives we touch, the communities we change, the impact we make.

Just as the Charter Oak became a symbol of what people can achieve when they stand together, Lions embody that same truth today. Every meal served, every hospital built, every child supported is a reminder that our roots run deep, that our service is rooted in strength — and built to last.

INTERNATIONAL PRESIDENT'S THEME 2026-2027

Growing Together in Service

Each moment of service strengthens the foundation of our clubs and communities. Here's how we can grow and thrive together.

Get back to our roots.

Our commitment to service makes us who we are. When we focus on acts of service, both big and small, we strengthen our communities, our clubs and the bonds we share. Embrace the joy of service and the purpose it brings.

Plant the seed.

Every Lion holds the power to grow their club. With each new member, our service, our impact and our potential grow, allowing us to do more and be more for our communities. Invite a new member and plant the seed for growth.

Let our leadership shine.

We change lives through our service, but we are also advocates for the people and causes we serve. We can expand our reach by connecting with key community stakeholders and partners who share our passion. Let's start big conversations, and even greater change.

Lean on your global foundation.

Lions Clubs International Foundation (LCIF) offers more than funding — it's a lifeline of compassion and hope. The transformative work that Lions and LCIF bring to life is made possible by you. So support LCIF and let LCIF support you.

INTERNATIONAL PRESIDENT'S THEME 2026-2027

Cultivating Success

When we unite to serve our communities and our world, we can achieve so much together. Here are some keys to our success.

Be the ripple.

Clubs have the potential to create change that is felt throughout the community. It all starts with that moment of purpose, that act of kindness. It starts with you. Be the ripple that travels far and wide, touching lives along the way.

Build it to last.

Great clubs and supportive communities don't just happen — they are built by people who put their hearts and souls into them. So invest in building your club and community to ensure they are places where everyone can thrive.

INTERNATIONAL PRESIDENT'S THEME 2026-2027

Stay connected.

For Lions, connection is about people — the people who serve, and the people we serve. Embrace the personal connections we make through the Lion experience to create a culture of gratitude, positivity and fun.

Branch out.

We get better and our future gets brighter when we engage the next generation in our mission of service. Young people are ready to serve and lead, so give them a chance to do it as Lions and Leos.

The Melvin Jones Fellowship Programme

Lions Clubs International FOUNDATION

The Melvin Jones Fellowship Program is a generous way to show commitment to the humanitarian work of LCIF.

The MJF Program was established in 1973 in honor of Melvin Jones, the founder of Lions Clubs International. The MJF program recognizes donations of US$1,000 to Lions Clubs International Foundation (LCIF).

New MJFs receive a pin, commemorative plaque and a letter from the LCIF Chairperson. If the donor so chooses, he/she may use their donation credit to recognize another individual with a MJF.

The Progressive Melvin Jones Fellowship Program

The Progressive Melvin Jones Fellowship (PMJF) provides an opportunity to advance in the Fellowship program. For each subsequent donation of US$1,000 beyond the initial MJF donation, donors receive a unique PMJF pin in accordance with their level of giving. Like MJFs, donors can recognize another individual with PMJF donations.

Areas of Giving

Lions Clubs International Foundation (LCIF) will now be able to help more people than ever before. Melvin Jones Fellowship (MJF) eligibility now includes donations to five special program areas. Donors will now be able to receive MJF and PMJF credit when directing their support to:

- **Area of Greatest Need:** Supports all program areas and allows LCIF the flexibility to supplement initiatives where additional funding is necessary or where the need is most urgent.
- **Disaster:** Enables LCIF to direct the funds to the areas most in need following disasters to provide for immediate, mid and long-term relief. The Foundation will be able to immediately provide funds for large-scale disaster relief, rather than collecting and distributing funds over a period of weeks or months.
- **Sight:** Funds seek to support hundreds of sight-related activities ranging from equipping eye clinics to providing Braille computers for the visually impaired.
- **Youth:** Supports the Lions Quest program and other initiatives such as educational infrastructure improvements and programs to assist at-risk youth.
- **Measles:** Funds support the purchase and distribution of the measles and rubella vaccination in select developing countries.

Funding directed to "Area of Greatest Need" provides LCIF with the ability to financially support any program. Donors are encouraged to consider this opportunity when making a gift.

Restrictions beyond these five special areas will be honored by LCIF, but will not be eligible for MJF or PMJF credit.

For example, a donation that is restricted to a specific disaster, such as an earthquake or tornado in a particular region, will not be eligible for credit toward an MJF or PMJF.

Did you know...

- Districts, clubs and individuals can donate to LCIF through the Melvin Jones Fellowship Program, but only an individual can receive the recognition. MJF applications using collective donations from multiple donors must be accompanied by written consent from all donors to use their donations for MJF recognition for the individual specified on the application.
- Melvin Jones Fellowships can be named in honor or in memory of an individual.
- Melvin Jones Fellowships do not need to be paid in full at one time; minimum installments to LCIF of US$100 can be paid over a five-year period to total US$1,000, at which time the MJF Application is completed.
- Complete the MJF application on reverse side or download from www.lcif.org and submit with payment. If MJF payment has already been credited by LCIF, you can submit the MJF application online under the Ways to Give section at www.lcif.org.

LEO PLEDGE

I pledge of my hands, extended and open, to help those in need.

I pledge of my heart, reach for it and it will be touched.

I pledge of my ears to hear another's outcry, my eyes to see the plight of others, my knowledge to bring a man closer to his dreams.

I pledge of myself for the betterment of the community, my state and my country.

ABOUT LEOS

WHY LEOS CLUBS ?

When the first Leos Club was organized in 1957, its purpose was clear. Give young people an opportunity through partnership with Lions to develop as responsible, service-minded individual.

Lions from the beginning hand sponsored service activities for young people because of their interest in youth, as represented by their pledge "To take an active interest in the civic, culture, social, and moral welfare of the community." Because it was such a neutral and logical activity for Lions, the first Leos club probably seemed like little out of the ordinary. But it did not take long for Lions Clubs of their communities and in other countries to grasp the special significance of Leos Club sponsorship. In recognition of their importance as a Lions Club service to youth, Leos clubs were formally adopted as an official program of the Lions Clubs International in 1967, the year of the association's Golden Anniversary.

Leos clubs are a service to youth in the truest sense. Sponsored only by Lions Clubs and governed by a standard constitution, they are open to young men, women of good character of all races and creeds. Modeled on their parent organization Leos clubs help young people grow as leaders and generous human being while providing invaluable service to the community. Leos club being a youth project of this globally recognized organization, provides each and every one of us, an international platform where we can build on positive character traits and make friends all around the world. The meetings conducted at Club/Region/District /Multiple level gives us an opportunity to observe, learn and then enhance such a high level organizational skill. Leos clubs also do fund raising programs and give it back to the society by organizing social programs which benefit the society. These objectives form the central theme of Leos clubs.

ABOUT LEOS CLUBS

In 1957, Glenside Lions Jim Graver and William Ernst of Pennsylvania USA persuaded 26 member of the Abington High School Baseball team and 9 other Abington High School student to form a service club. All together 35 Leo members of Abington High School formed The World First Leos club – The Abington High School Leos club in 1957, December 5. LEO DISTRICT COUNCIL 325 C, NEPAL

LEO-LION PRABESH BASTAKOTI

Leo District President
Leo District Council 325 C Nepal
Lionistic Year 2026-27

Message from Leo District President

Dear Leos,

It gives me immense pride and gratitude to begin the Lions Year 2026–27 with all of you. I sincerely thank every Leo for believing in me, supporting me, and giving me the opportunity to serve as your District President.

I have envisioned this year not as a journey of an individual, but as a journey of unity, connection, service, and collective growth. That is why I have chosen **"Together We Rise"** as our guiding theme.

For me, **Together We Rise** means that we do not move forward alone, we move forward together, supporting one another, strengthening our relationships, developing young leaders, and lifting each other toward greater possibilities.

Our Leo journey is not measured only by the number of projects we complete or achievements we receive. It is measured by the lives we touch, the leaders we develop, the relationships we build, and the positive change we create in our communities.

This year, let us turn challenges into opportunities, ideas into action, and service into leadership.

Let us welcome new members, encourage new ideas, strengthen Leo-Lion bonding, and create an environment where every Leo feels valued, respected, and empowered to lead. I believe that every Leo has the potential to make a difference.

Whether your contribution is big or small, every sincere effort matters. When we work together, our individual strengths become our collective power.

Therefore, this is not just my year , it is our year. Our journey, our responsibility, our service, and ultimately, our success. Let us dream boldly, lead with courage, serve with compassion, and stand beside one another through every step.

Together We Rise.
